A FLEXIBLE, AFFORDABLE, ALL-IN-ONE PACKAGE FOR YOUR ONLINE FUNDRAISING NEEDS

Think your nonprofit is too small to afford a comprehensive online fundraising solution? Think again! Our Online Fundraising Quickpack™ service gets you up and running quickly with a constituent relationship management platform, a responsive website, and online donation processing — all for one low price.

What's Included:

CONSTITUENT RELATIONSHIP MANAGEMENT

One system for managing all of your constituent interactions

- Implementation of Salesforce Nonprofit Success Pack and configuration of up to 20 custom fields and up to 3 custom reports (*No software licensing fee for up to 10 seats!*)
- Up to 20 hours of migrating contacts, households, and donations data
- Integration with your MailChimp™ or Constant Contact™ email marketing software
- Training on your new solution

RESPONSIVE WEBSITE

A website optimized for viewing on a wide range of browsers and devices

- Design and implementation of up to 10 pages built on WordPress (*No software licensing fee!*)
- Testing of site navigation and usability
- Implementation of web analytics and search engine optimization
- Website hosting recommendations and coordination
- Training on your new solution

ONLINE DONATION PROCESSING

A convenient, secure way to accept donations online

- Implementation of Click & Pledge™ for online donation forms and processing (*No monthly software fee; discounted transaction fees!*)
- Configuration of up to 3 standard donation forms
- Training on your new solution

Optional Add-Ons:

PEER-TO-PEER FUNDRAISING INTEGRATION — \$1,500

Integration of your newly-implemented Salesforce environment with a peer-to-peer fundraising tool such as Classy™, RallyBound™, Kimbia™, DonorDrive™, QGiv™, or others. (Cost of peer-to-peer fundraising software not included.)

CUSTOM DEVELOPMENT — LOW HOURLY RATE

Custom Salesforce CRM consulting, development, training, and support when you need it.

A GROW-WITH-YOU SOLUTION

Because it's built around Salesforce CRM, the Online Fundraising Quickpack gives you the flexibility to integrate with thousands of apps as your organization's needs evolve.
