

A FAST, PROFESSIONALLY DESIGNED WORDPRESS WEBSITE YOU CAN AFFORD

WordPress can be a great choice for nonprofit websites, but generic WordPress design themes can be uninspiring and hard to edit. Our Quicksite service gives you a turnkey WordPress website — with expert custom design and implementation for one low price.

What's Included:

- Custom, nonprofit-focused, responsive WordPress theme (8 hours of expert design) that's easy to edit and update in the future
- 2 rounds of reviews and edits
- Testing of site navigation and usability on major web browsers
- Implementation of search engine optimization (SEO) and Google Analytics-ready software
- Website hosting recommendations and coordination (including domain setting coordination at go-live)
