Cathexis PARTNERS

CATHEXIS PARTNERS SERVICES

MAKING TECHNOLOGY WORK FOR YOUR NONPROFIT

At Cathexis Partners, we help you implement and use technology to raise funds and spread the word about your mission more effectively and more efficiently.

Software Implementation and Support

We help you select, set up, and manage the right software solution to meet your organization's needs. We specialize in:

- Blackbaud Luminate Online™, Luminate CRM™, TeamRaiser™, Sphere™, NetCommunity™, The Raiser's Edge™
- Salesforce
- WordPress

Website Design and Development

We help you design and build reliable, responsive, and affordable websites that captivate your supporters.

- Requirements gathering and system selection
- Mobile-friendly website design and development
- Site implementation, data migration, and systems integration

Database Management, Reporting, and Analytics

We help you manage and analyze data to uncover trends and find opportunities to improve your fundraising campaigns and events.

- Database management
- Report building
- Data analytics

Online Fundraising Strategy and Execution

We help you leverage your database, website, email marketing, social media, and peer-to-peer tools to engage more supporters for advocacy, events, and fundraising.

- Online communications strategy
- Content creation
- Social media consulting

THE CATHEXIS DIFFERENCE

Expertise

We've worked with 500+ nonprofits on their technology implementations and strategy.

Quality

We give you our very best work no matter how big or small your organization or project.

Value

We offer thoughtful, attentive service at some of the lowest rates in the industry.
