

THE HELP YOU NEED WHEN YOU NEED IT WITH RAISER'S EDGE

Whether you're new to Blackbaud's Raiser's Edge and need additional training, or you just need an extra set of hands, we'll help you get the most out of your software. Our rates are reasonable, and our team is ready to assist right away.

Our services for Raiser's Edge include:

TRAINING

- Introductory and advanced training options tailored to your needs
- Custom training within your environment, based on your unique processes
- Recorded for your future reference

SUPPORT

- One-time and ongoing services available
- Pay for only the support you need, when you need it

DATA MANAGEMENT, REPORTING, AND ANALYTICS

- Data maintenance, health checks, cleansing and de-duplication
- Report building

\$145/HR

SPECIAL PACKAGE: Get More Out of Raiser's Edge

If your organization has been using Raiser's Edge for a while, staff turnover and "we've-just-always-done-it-this-way" thinking might have you wondering if you're optimizing your use of Raiser's Edge. Our **Raiser's Edge Audit** package can help. It includes:

- Discovery calls to walk through your environment and processes via screenshare
- An in-depth review of your Raiser's Edge environment
- A documented report with recommendations based on best practices and our extensive experience working with Raiser's Edge
- A wrap-up call to present findings and discuss recommended next steps

PACKAGE PRICE: \$2,500
