TAKE YOUR FUNDRAISING TO THE NEXT LEVEL

If you're ready to boost your fundraising programs with an advanced fundraising platform that supports process automation, it may be time to move from Blackbaud NetCommunity to Blackbaud Luminate Online Marketing. Our team is ready to help you take this step, with easy and affordable migration services.

We can help you set up and configure the following items for the Luminate Online Marketing modules listed below. Your team will have a dedicated account manager throughout the implementation process.

ONLINE FUNDRAISING

- Responsive page templates
- Giving options (one-time, recurring, memorial and tribute)
- Reporting

EMAIL MARKETING

- Email stationery using responsive design and best practices
- Email templates
- Drip campaigns (welcome, end-of-year, etc.)
- Reporting

EVENTS & E-COMMERCE

- Layout customization
- Reporting

NEED TRAINING? NO PROBLEM.

Our team can make sure you understand your new system so you can start using it right away.

DON'T SEE WHAT YOU NEED?

We provide custom services for software implementation and support, database management, website design and development, and online fundraising strategy to meet your specific needs.
